

Yzabella Roxas

Two-Footed Outside Back · Defends Right, Attacks Left.

HEIGHT 5'5" JERSEY #9 DOB Nov 3, 2010

PLAYING STYLE

A two-footed outside back, right-foot dominant with a left strong enough to serve crosses, hit long diagonals, and play out of pressure. Yzabella is the starting left back at SoCal Blues ECNL G2010 and a starting Varsity freshman at JSerra Catholic. She reads the game, recovers quickly, defends 1v1 with discipline on her dominant side, and contributes to the attack as a wide outlet, a rare combination at the position.

Off the field she carries a 4.7 weighted GPA at JSerra Catholic, where she is in the school's Medical Magnet program and exploring Health Science as her likely college major. She brings the same discipline to her academic work that she brings to the back four.
