HER GAME

I started playing soccer when I was four years old, and I quickly fell in love with the game. Throughout my journey, soccer has taught me to work hard, persevere through hardships, and never give up when things get difficult. On the field, I am tough, competitive, and feisty, always giving everything I have. Off the field, I am kind, happy, and enjoy being someone my teammates can count on. Soccer has shaped who I am and continues to teach me lessons that I carry with me every day.
