

Yzabella Roxas

SoCal Blues ECNL U16

5'5"

GPA 5.0 weighted

NCAA ID 2602830276

HER GAME

A two-footed outside back who also plays winger and becomes a real attacking threat. Right foot dominant with a left strong enough to whip crosses into dangerous areas, Yzabella gets forward to join and finish the attack and has scored multiple goals from the back. She is excellent in the air and wins her aerial battles at both ends. A starting outside back at SoCal Blues ECNL and a starting Varsity freshman at JSerra Catholic High School, she reads the game, recovers quickly, and defends 1v1 with discipline, a rare two-way profile.

Off the field she carries a 5.0 weighted GPA at JSerra Catholic High School, where she is in the school's Medical Magnet program and exploring Health Science as her likely college major. She brings the same discipline to her academic work that she brings to the back four.
